Today's **EXACT** race-by-race wagering plan for Aaron and Jared, the two founders of Racingdudes.com. You can play these tickets exactly, or you can take our opinions and sprinkle in your own thoughts as well. The decision is up to you. We struggled in our first week of doing this, but look to bounce back this week in a big way. Good lucky everyone!

Anytime you like a 20-1 shot to win, you have to make a wager. #4 Mr. American has been close over this surface before, and could make some noise for us early. I'll throw a small win wager in case we get lucky here.

#6 Dunedin comes off the layoff here and looks playable at 5-1. Picks up Saez which tells me the horse is doing ok and this field isn't special. Like keying him in some ladder exactas.

#9 Bright Future returns from a layoff today for Pletcher, who has solid success with horse returning for their 4-year-old debuts. He should be ready to fire with a big effort here.

I like #10 Get Your Kicks moving over to the turf today for connections who are always tough. We should get a decent enough price as well, so I'll play a small win wager here. If the horse takes to the surface we should see a solid effort.

\$10 to Win on #10 Get Your Kicks
Total Bet: \$10

PROJECTED PACE:

#5 Tiger Tap and #11 Every Time offer some nice value in a wide open race in which either one of those can win. I can't pick apart the 1,6,10, or 12 so love the idea of a part-wheel trifecta to maximize the potential return.

Simply put, it is time for #3 Simplification to get back to the winners circle. He has been running well since coming back to Gulfstream Park, while this distance should suit him well. This is also the type of company he needs to be facing.

#6 Personal Best goes for two in a row today after winning at this level last time out. #5 Amazing Grace makes her United States debut for powerful connections. Box 'em up and call 'em home in an exacta here.

#2 My Prankster is back after a solid season here at Gulfstream Park last year. He tailed off a bit later in the season; however, he should be ready to get back to top form as he returns in this spot.

Total Bet: \$20

PROJECTED PACE:

The first win bet of the day comes on the #4 Weyburn. Back in the Jerkens barn, I loved the way he looked off the layoff last month finishing a good second to White Abarrio. Beat Collaborate that day as well who came back to win impressively. All systems go!

\$25 to Win on #4 Weyburn
Total Bet: \$25

RACE No10

#6 Marketsegmentation drops down in class today after running third last time out. Getting Irad back aboard is a good sign, while her best race is better than the rest of these. This is my strongest play on the card.

\$125 to Win on #6 Marketsegmentation
Total Bet: \$125

PROJECTED PACE:

Welch

Not sure if this is a good or bad sign but I'd have to agree with my colleague here. #6 Marketsegmentation is a clear standout in this race and love the fact that Irad is back aboard (3-2-1-0 with Irad). This is her distance. This is her track. She will dust this group.

\$75 to Win on #6 Marketsegmentation
Total Bet: \$75

While I do have the #5 Breath Away on top here, I think this race offers extreme value and thus should be bet accordingly. With a 30-1 and 8-1 in my top 4, I'm taking a swing with a cool little part-wheel exacta.

This came down to which Pletcher I liked most. I thought about playing a few different part-wheel exactas here with the #5 Miracle keyed, but not sure value is there. She's the speed of the race and will love Gulfstream. Win bet.

\$25 to Win on #5 Miracle

Total Bet: \$25

RACE No13

I had a hard time picking between #5 Fort Washington and #6 Steady On, so I thought it made sense to box them up in an exacta here. This is a large field, so the money will be spread out, making this worth a play.

My top pick in the race is #12 Dreams of Tomorrow sitting at a nice 15-1 ML. I love this exacta part-wheel strategy when you like some long shots and aren't convinced of the chalk. This one could pay massive.

I love #11 Forte, which is no surprise, while #4 Mage has really grown on me. Some of my biggest cashes have been playing straight exacta's with the heavy favorite like this one on top, so I'll play one here in this logical spot.

\$50 Exacta 11/4

Total Bet: \$50

PROJECTED PACE:

Not getting super creative here. #11 Forte isn't going to lose so it's all about creating value around him. I believe we can do that by keying him in some ladder exactas with #4 Mage and #9 Cyclone Mischief.

Let's see if #10 Red Route One can get there today. He adds blinkers, the pace should be fast enough, and he gets Tyler Gaffalione back aboard. All those are major positives for him to get to the winners circle.

I absolutely love this bet. My top pick is insane with #1 Bourbon Bash, but totally respect #7 Rocket Can and #6 Angel of Empire. Rocket Can is the most likely winner so keying him around two trifecta part-wheels.
