Race No1

Halterman

I definitely fell in love with #9 Trade Imbalance pretty quickly when handicapping. He has been working well leading up to this debut, while his sire is absolutely on fire.

\$20 to Win on #9 Trade Imbalance
Total Bet: \$20

PROJECTED PACE:

Welch

With this rained off the turf, the #9 Trade Imbalance gets in as a MTO entry. On top of that, Irad switches from Allied Attack to Trade Imbalance for Chad Brown. Those things alone are enough for me to switch to this one.

\$20 to Win on #9 Trade Imbalance
Total Bet: \$20

Race No2

Halterman

#1 Be You looks to be one that can run for Pletcher. The pedigree is definitely there, while he has been working like a monster leading up to this race. I do worry a bit with this inside post position, but if he is sharp out of the gate he should get the lead and never look back.

\$20 to Win on #1 Be You
Total Bet: \$20

PROJECTED PACE:

Welch

Just look at the works from this Pletcher monster. Really well bred and should come out running from the inside draw. Irad gets the mount so let's see if we can get home an Irad double to start the day.

\$30 to Win on #1 Be You
Total Bet: \$30

RACE No3

Halterman

This is the cheapest race on the card; however, I do like #8 Victorious Wave quite a bit in this spot. With claimers, you always have to worry about their consistency, which has why I didn't play this one for a bit more. If he breaks well from the gate he should be able to take this field gate to wire.

\$20 to Win on #8 Victorious Wave
Total Bet: \$20

PROJECTED PACE:

Welch

I like the #6 Glory Road on top here. First off the claim for Rudy hits at 20% and he just ran a race good enough to win this one today. I also really like the #8 Victorious Wave as he should have a clear pace advantage. Look for him to take them a long way but get nailed late by Glory Road.

\$20 Exacta: 6/8
Total Bet: \$20

RACE No4

RACE No5

Halterman

I'll take a shot here with #1 Quick to Accuse who is coming off of a long layoff to run in this race. The horse gets a big class drop, which will obviously help, while De Paz usually has them ready to roll off of long layoffs. He will have this one ready today.

\$10 to Win on #1 Quick to Accuse
Total Bet: \$10

PROJECTED PACE:

Welch

I like two big prices here but really looking to create value around #4 Caravel in the next. Playing a Daily Double with #1 Quick to Accuse and #7 Be the Boss, both of which are 8-1 ML. This is how you create value around Caravel.

\$15 Daily Double: 1,7/4
Total Bet: \$30

RACE No6

TROY STAKES

PROJECTED PACE:

Halterman

I can't bet a win in this one because the price will be too short on #4 Caravel. So, I'll put him on top in an Exacta and use #3 Cogburn in the second spot. He looks to me like he is set to run a big one, and if he does he can run second behind the big favorite, which will juice up the exacta payout.

\$40 Exacta: 4/3
Total Bet: \$40

Welch

We've established that I like #4 Caravel but her price will be too low to play a win bet on. Putting on top of a couple Exactas with the #1 Thin White Duke and #3 Cogburn. 20-1 and 8-1 would juice up the Exacta payout in a big way!

\$30 Exacta: 4/3
\$10 Exacta: 4/1
Total Bet: \$40

RACE No7

FASIC-TIPTON LURE

PROJECTED PACE:

Halterman

This one is completely wide-open no matter how you look at it. I'll make a small win wager on #2 Smokin' T, who has hit the board in four straight races coming into this one. I think he will float up a bit in price, which makes him intriguing.

\$10 to Win on #2 Smokin' T
Total Bet: \$10

Welch

This race is really tough. #3 Dakota Gold really likes Saratoga and is coming off back-to-back efforts that were really nice. Irad was aboard for both of those and will keep the mount today. I think if Irad has a good day, so will we!

\$20 to Win on #3 Dakota Gold
Total Bet: \$20

RACE No8

TEST STAKES

PROJECTED PACE:

Halterman

I'm looking for #1 Pretty Mischievous to sit the perfect trip in this one while her biggest competition will should be part of a hot pace. If they are softened up early, there is no doubt she can run them down late. She is the top here in this class.

\$40 to Win on #1 Pretty Mischievous
Total Bet: \$40

Welch

I really thought I would go into this race picking the #1 Pretty Mischievous. However, I kept going back to #8 Maple Leaf Mel. She's a perfect 5 for 5 and she is coming off an extremely impressive effort last out. I think she runs them off their feet and Pretty Mischievous bangs up for second.

\$20 Exacta: 8/1
Total Bet: \$20

RACE No9

SARATOGA DERBY

PROJECTED PACE:

Halterman

This looks like a classic loose on the lead horse for Chad Brown. #2 Program Trading seems to be improving with each start, while he has not been challenged in either of his races. If Prat can get him to the front, I think he has a big shot to take this group gate to wire.

\$20 to Win on #2 Program Trading
Total Bet: \$20

Welch

This race is extremely tough! #2 Program Trading might just run them off their feet but he is up against a pretty stiff class test. I also really like the #6 Webslinger as I thought he ran just as good as Far Bridge in the Belmont Derby. Cody's Wish isn't losing the next so playing a Double into him hoping to create a bit more value.

\$20 Daily Double: 2,6/6
Total Bet: \$40

RACE No10

WHITNEY STAKES

PROJECTED PACE:

Halterman

We can't play a win on #6 Cody's Wish in this spot; however, I love him on top in an exacta with #1 Zandon in second. Zandon is the classic hit the board type, so I see him picking them all off late, with Cody's Wish well ahead of him and the rest of the group.

\$40 Exacta: 6/1
Total Bet: \$40

Welch

We can lock #6 Cody's Wish in the win spot. I just can't pick against him here. So let's pound an Exacta with #1 Zandon in second. He's hit the board in 10 of his 11 starts and just ran second to Cody's Wish last out in the Met Mile. That Exacta paid \$6.40 and let's hope for 5-1 or so here.

\$50 Exacta: 6/1
Total Bet: \$50

RACE No11

PROJECTED PACE:

Halterman

#7 Everso Mischievous has run well in all three starts, including an impressive victory on Kentucky Derby Day in a maiden special weight. He was a head away from winning at this level last time out at Ellis Park, while the cut back to 7 furlongs should be perfect for him.

\$10 to Win on #7 Everso Mischievous
Total Bet: \$10

Welch

Another tough race but I really think the #5 Frat Pack at 9-2 is too good of value to pass up. Returned from a year layoff last month to win impressively at Belmont. The #7 Everso Mischievous is the threat, but visually I feel Frat Pack was a bit better.

\$20 to Win on #5 Frat Pack
Total Bet: \$20

Listen, this race wide open. #2 Danzigwiththestars is a juicy 10-1 and has been knocking on the door for too long. Gets Saez back aboard, who has won on him several times in the past. Has wins at this distance and loves Saratoga. Worth a shot.

\$10 to Win on #2 Danzigwiththestars
