PROJECTED PACE:

This race reminds of the first race on Friday. I just can't justify playing this race when there are so many other opportunities on a loaded card. There are too many question marks for me.

My Bet: **No Bet**

Suggested Exacta: 1,2,3 BOX
Suggested Trifecta: 1,2,3,5 BOX

Welch

Kentucky Derby Day! I'm spending a good chunk of budget on today (especially in the Derby) so unless I have a strong opinion, the race will likely be a pass. And this is one of those.

My Bet: **No Bet**

Suggested Win: #1 Evan On Earth
Suggested Exacta: 1,2/1,2,3

Race No2

PROJECTED PACE:

Halterman

I like a couple of horses in this race; however, there is no value as far as I'm concerned. #6 Scylla will be bet down too hard, while #8 Coppa Girl will also be a short price, so the exacta won't pay much. I'll pass on this one.

My Bet: **No Bet**

Suggested Exacta: 3,6,8 BOX
Suggested Trifecta: 3,6,8,10 BOX

Welch

I do kind of like the #6 Scylla here but at 6-5 on the ML and fully expecting her to be bet, there is just no value in the race. Passing on this one too.

My Bet: **No Bet**

I'm extremely excited to see what #11 Mindframe does in his second start. He looked like a total freak on debut at Gulfstream Park. If he shows up with that type of effort today the rest of these horse will be running for second. This could be budding super star.

My Bet: **\$60 to Win on #11 Mindframe**

Suggested Trifecta: 2,11/1,2,9,11/1,2,9,11

Forget lock of the day. The #11 Mindframe might be one of the locks of the year. This horse is an absolute monster and fully expect him to win a stakes next out. But for now, let's hammer him here. Bet as much as you're comfortable with.

I hate this race with a passion when it comes to betting. The favorite looks decent here, but he's been so disappointing lately. The other horses in this race leave a little to be desired, though, which has me taking a hard pass on this one.

My Bet: **No Bet**

Suggested Exacta: 1,6,11 BOX

Suggested Trifecta: 1,2,6,11 BOX

I almost played the #6 Best Actor in a win bet but I just don't trust him enough at what will likely be a pretty low price. And if you aren't going with him then take your pick. Passing here.

My Bet: **No Bet**

Suggested Win: #6 Best Actor

Suggested Exacta: 6,7/2,6,7

RACE No5

PROJECTED PACE:

#10 Big Invasion seems to be the class of this field, while last year he just missed winning the Breeders' Cup Turf Sprint. This will also be his second race off of the layoff, which should lead to an improved effort, while the pace will set up well for him.

My Bet: **\$10 to Win on #10 Big Invasion**

Suggested Exacta: 8,10,14 BOX

Suggested Trifecta: 4,8,10,14 BOX

Welch

Excited to see the #4 Motorious back here after a very troubled 5th in last year's Breeders' Cup Turf Sprint. Has been such a solid, consistent horse and love to see Prat back aboard. I think he's very live here.

RACE No6

PROJECTED PACE:

Halterman

I pretty much like the favorites in this race, but not well enough to make a win wager at the projected odds, which makes this one unplayable. #7 Alva Starr and #10 Vahva are the two I have the most interest in, but the prices aren't going to be good enough.

My Bet: **No Bet**

Suggested Exacta: 7,9,10 BOX
Suggested Trifecta: 3,7,9,10 BOX

Welch

If this sounds familiar then it probably does as I played this exact same Exacta the last time the #10 Vahva and #7 Alva Starr lined up. I was wrong but I think Vahva will flip the script here. She loves Churchill and should be sharper this time out.

My Bet: **\$10 Exacta 10/7**

Suggested Win: #10 Vahva
Suggested Trifecta: 7,10/7/10/4,9

RACE No7

PROJECTED PACE:

The more I watched the replays of #11 Coppice the stronger I felt about betting her in this spot. She comes over to the United States for Chad Brown after running well for John Godsen in Europe. If she handles the new scenery she will be tough to beat.

My Bet: **\$20 to Win on #11 Coppice**

Suggested Exacta: 3,8,11 BOX
Suggested Trifecta: 3,6,8,11 BOX

Welch

The #11 Coppice comes over to the United States for Chad Brown after running well for John Godsen in Europe. We all know the kind of success Chad has with these types of turf horses and this one appears to be no different.

My Bet: **\$10 to Win on #11 Coppice**

RACE No8

PROJECTED PACE:

Halterman

I'll take a swing here with #12 Nash who got back on track when cutting back in distance last time out. It looks like he wants to be more of a one-turn horse, and he can get to the winners circle if he can continue to build on his last effort.

My Bet: **\$10 to Win on #12 Nash**

Suggested Exacta: 8,11,12 BOX
Suggested Trifecta: 2,8,11,12 BOX

Welch

I understand why you might want to play the #8 Top Conor or #12 Nash here. Both were on the Derby Trail at one time and both are better one turn horses. My only problem is I have no confidence in either one of them so will pass and get ready for this final push.

My Bet: **No Bet**

Suggested Win: #8 Top Conor

#5 Legend of Time has been impressive overseas as he gives the United States a try for the first time today. His turn of foot is deadly, while he seems to be getting stronger with each race. This horse looks like a monster to me.

Oh boy...this might be the best race on the card. #6 I'm Very Busy and #11 Naval Power look like standouts to me in what should be an amazing race. If they both fire we will see something special. I lean on #11 Naval Power being just a tad better, so I will bet him to win.

RACE No12 KENTUCKY DERBY

PROJECTED PACE:

Halterman

For me, there are the five horses I think can win the Kentucky Derby. I will list them in order:

#17 Fierceness should win this race if he shows up with his best effort; however, there is no getting around the fact he's inconsistent. His Breeders' Cup Juvenile and Florida Derby are simply better than what anyone else has shown so far.

#2 Sierra Leone will drop to last and try to make one big run at the end. He'll need a hot pace, and he'll also need a clean trip, which is highly questionable. There is no doubt this horse has immense talent, though.

#4 Catching Freedom is a pretty consistent runner who seems to be on the improve, just like his stablemate. His last race was certainly his best, while he looks to have gotten over a few of his mental issues.

#11 Forever Young comes in from the UAE Derby, which has been a disaster in recent years. This horse definitely can get the distance, though, while several sharp people love him. Can he live up to the hype?

#8 Just a Touch seems to be getting better with each start, and should get a perfect trip in this race. He just needs to finish the race with a bit more energy this time around.

For me, this is more about betting than it is handicapping. #17 Fierceness is a standout, but he's also inconsistent. I'm going to play him to win, then play a couple of exotics tickets with him out of the top 3. That's the best way to attack a horse like him.

My Bet: **\$20 to Win on #17 Fierceness**

My Bet: **\$1 Exacta BOX 2,4,8,11**

Suggested Trifecta: 17/2,4,8,11/2,4,6,7,8,11

Welch

It's finally here! Here's my Top 10 horses in the Kentucky Derby in order of preference.

Top 4

- 17 Fierceness
- 2 Sierra Leone
- 4 Catching Freedom
- 11 Forever Young

Next 6

- 7 Honor Marie
- 8 Just a Touch
- 14 Endlessly
- 18 Stronghold
- 3 Mystik Dan
- 15 Domestic Product

I have very little doubt that #17 Fierceness should win this race if he breaks and brings either his Breeders' Cup Juvenile or Florida Derby effort. However, I do acknowledge that he has been anything but consistent. So what version will we see?

My Kentucky Derby Bets:

\$20 to Win on #17 Fierceness

\$2 Exacta: 2,17/2,4,7,8,11,17

\$1 Exacta: 2,4,7,8,11,17/2,4

\$1 Exacta: 2,17/3,7,8,14,18

\$.50 Trifecta: 2,17/2,4,7,8,11,17/2,3,4,6,7,8,11,14,15,17,18

That's \$105 worth of bets there that I'm playing in the Kentucky Derby. Most of it is going through Fierceness or #3 Sierra Leone, but I do have coverage elsewhere in case they don't show up.

The one horse I have had the most trouble figuring out is the #8 Just a Touch. I have a strong feeling that he may be in first when they hit the top of the stretch. Here's a play in case he gets brave. \$10 total wager.

\$1 Exacta: 8/2,3,4,6,7,11,14,15,17,18

I wavered back and forth on this one for a bit, but in the end I believe #4 Idiomatic is just a little too good for this group. She has won five in a row, while the rumor is she is training extremely well leading up to her seasonal debut.

My Bet: **\$20 to Win on #4 Idiomatic**

Suggested Exacta: 4,6/4,5,6

Suggested Trifecta: 4,6/4,5,6/3,4,5,6

Welch

The #4 Idiomatic makes her return since last winning the Breeders' Cup Distaff. This mare has won 8 of her last 9 starts and will be tough to run down. I like last year's Oaks winner #5 Pretty Mischievous keyed in second, as she always seems to show up.

My Bet: **\$20 Exacta 4/5**

Suggested Win: #4 Idiomatic

It's hard not to love the Louisiana bred #2 Ova Charged, who fired a monster effort last time out at Fair Grounds. This is going to be a step up in class today; however, this horse won against open company two starts back.

My Bet: **\$10 to Win on #2 Ova Charged**

Suggested Exacta: 2,3,5 BOX

Suggested Trifecta: 2,3,5,10 BOX

Welch

I'm going back to the well on this one with the #5 Elm Drive. I was on her last out and she looked like a winner at the top of the stretch and just tired. That was her first start back and D'Amato throws her right back into graded stakes.

My Bet: **\$10 to Win on #5 Elm Drive**

Suggested Exacta: 2,5/2,5,10

Will the real First Mission please stand up? There is no doubt #3 First Mission is the class of this field; however, he has a tendency to throw in some clunkers. If he shows up with his best he will handle this group just like he did last time out in the Essex.

My Bet: **\$20 to Win on #3 First Mission**

Suggested Exacta: 3,7/1,3,7

Suggested Trifecta: 3,7/1,2,3,7/1,2,3,7

Alright, the #3 First Mission appears to be the one to beat here, right? I have no idea what happened in the Pegasus but he rebounded in a big way last out. If that one shows up this one is over.

#6 Surprisingly has been pretty solid in his first two starts for Todd Pletcher. He lost by a neck to Didia, who would be the favorite in this race, while also losing by a half-length to McKulick last time out. At 5-1, a win wager makes a lot of sense.

This is a wide open race. Let's take a shot here with the #5 Mouffy at a nice 8-1 price. She's ran well this year but hasn't finished one off. Stretches out to 1 1/8 for the first time and I think it will relish it.

My Bet: **\$10 to Win on #5 Mouffy**

#7 Denim and Pearls goes for two in a row in this spot after a runaway win last time out. #1 Impel is also a big threat for Cox, but #7 Denim and Pearls might be a little bit ahead of her maturity wise. I'll ride with Cox and Prat in this spot.

My Bet: **\$10 to Win on #7 Denim and Pearls**

This one really came down to the two Cox trainees, the #7 Denim and Pearls and the #1 Impel. Both appear to be extremely talented but I just believe Denim and Pearls is the better of the two. Especially at this distance.

This one look completely wide-open; however, I still want to make a wager because the payouts should be solid. I'll simply box my three top horses in this spot hoping to steal a decent exacta score.

The undefeated Breeders' Cup Champion #9 Hard to Justify makes her return to the track I think she will be tough to beat. I made big money on the #4 Buchu last out, but ultimately played Hard to Justify on top.

#13 Just F Y I is who I landed on with my top pick. She has tremendous class, a perfect running style, and should improve today in her second start off of the layoff. Bill Mott will have her at her best.

#8 Tarifa has won three straight races leading up to this one, and will be tough to beat. She is in great form, while we know Brad Cox will have her ready to fire her best race.

#14 Leslie's Rose has been an inconsistent horse, but at her best she has a shot here. Last time out was an ultra-impressive run to win the Ashland Stakes. If she can reproduce that effort today she will be tough.

#11 Ways and Means might be the most talented horse in the race, and she should improve in her second start of the year. However, I worry about her pedigree when it comes to getting the 1 1/8 miles of this race.

Overall, I found this race more challenging than almost every race on the card. It might have even been the hardest race of the two days for me. I just played a small win wager on my top choice.

My Kentucky Oaks Bet: **\$20 to Win on #13 Just F Y I**

Suggested Exacta: 11,13,14 BOX
Suggested Trifecta: 8,11,13,14 BOX

Welch

This is one of the better Kentucky Oaks in recent history. It's loaded with options, including the reigning Champion 2YO Filly #13 Just F Y I. She suffered her first loss last out in the Ashland to the #14 Leslie's Rose, but that was her first race since the Breeders' Cup. I expect her to be locked in here and expect a big performance.

I also am highly intrigued by the #11 Ways and Means. I was at Saratoga when she debuted and this one ran like freaks do. After getting injured in the Spinaway, she had almost a 7 month layoff before returning in the Gulfstream Park Oaks. She was clearly a little short there but ran a monster race off the bench. I have zero doubts that this filly is a monster. The only question is if she wants to go this far or not.

My Kentucky Oaks Bet: **\$20 to Win on #13 Just F Y I**

#11 Almostgone Rocket looked incredible in her debut effort at Oaklawn Park winning by almost 12-lengths. I'll back her in this spot today as she has drawn a nice outside post that should set her up for a solid trip. She looks to have a ton of ability.
