RACE ANALYSIS

Get your popcorn ready! Cogburn returns to the races today after setting a North American record for 5.5-furlongs last time out in the Jaipur Stakes (G1) over this track. That was one of the best performances I have ever seen in person, so obviously I can't wait to see him run again today. **Betting Recommendation:** 25-30% of your bankroll keying #6 Cogburn or betting a win depending on the price.

That is the major question mark for him. **Betting Recommendation:** 15-20% of your bankroll keying #3 National Treasure or betting a win depending on the price.

Several of these runners have solid experience, while most of them have shown they can step up and run a big race.
