RACE ANALYSIS

Can #8 Geopolitics finally get her first win today? She has finished second in five straight races, while each race has been painfully close. This looks to be the race she might finally get it done, though, as the field leaves a lot to be desired. **Bankroll Recommendation:** Aaron - Win: #8 Geopolitics (5-10% of your bankroll). RACE ANALYSIS

We will move to the turf for this race, which looks to be extremely competitive on paper. #5 Green Light ships in from Kentucky after running third in back to back stakes races at Churchill Downs and Ellis Park. He is the deserving favorite; however, several have a chance in this spot. **Bankroll Recommendation:** Aaron - Trifecta: 1,3,4,5 BOX (0-2% of your bankroll). RACE ANALYSIS

This lower level starter allowance event is full of decent horses, while the turf racing at Saratoga has been tough to predict all season long. RACE ANALYSIS

We have 2-year-old maiden special weight here on the turf, which is always fun on these big days of racing. RACE ANALYSIS

The New York breders will take center stage in this one, which has drawn a competitive field of 12 runners on the turf. This is probably one of the toughest races on the card; however, #5 Rhetorical could be the best of the bunch if he can repeat his dominant debut effort. **Bankroll Recommendation:** Aaron - Win: #5 Rhetorical (5-10% of your bankroll). Jared - Win: #5 Rhetorical (15-20% of your bankroll).

She makes this race extremely interesting. **Bankroll Recommendation:** Aaron - Exacta: 3,5/3,5,7 (0-5% of your bankroll). Jared - Exacta: 3,5/3,4,5 (5-10% of your bankroll).

You have to go as deep as you possibly can in the multi-race sequences. **Bankroll Recommendation:** Aaron - Win: #5 Prince of Monaco (0-5% of your bankroll). RACE ANALYSIS

The last race is a typical NYRA ending to a big card: a maiden claiming race. It seems like every big card in New York ends with a lower level race with lack luster horses, and this card is no different. You won't see any super stars running in this one if you stick around. **Bankroll Recommendation:** Aaron - Exacta: 2,8,9 BOX (0-5% of your bankroll). Jared - Exacta: 4,8,12 BOX (0-5% of your bankroll).
