### RACE ANALYSIS

A fun 2-year-old maiden special with will kick off this card, with Bob Baffert sending out two runners. ## RACE ANALYSIS

This full field of low claimers is tough to figure, just like usual when they are put on big cards like this one. All of the trainers want to run on the days like this, while races of this caliber give some of the smaller outfits a chance to shine on the big stage. **Bankroll Recommendation:** Aaron - Trifecta: 3,6,7,8 BOX (0-2% of your bankroll). ## RACE ANALYSIS

This maiden special weight event is full of decent horses, while the turf racing at Del Mar has been tough to predict all season long. This should be one of the more competitive races on the card today, so go as deep as you can in your multi-race bets. **Bankroll Recommendation:** Aaron - Trifecta: 2,9,11,12 BOX (0-2% of your bankroll). ## RACE ANALYSIS

#3 Hope Road seems like a one of the most likely winners on the card after back to back romps at Santa Anita and Del Mar. She must move up in class today; however, this is not that strong of a field on paper. If she handles the stretch out in distance she will be tough to beat. **Bankroll Recommendation:** Aaron - Win: #3 Hope Road (15-20% of your bankroll). Jared - Exacta: 3/2,7 (20-25% of your bankroll).

## RACE ANALYSIS

We will move back to the turf for this one, which yet again has drawn another competitive field. Almost every horse in this race looks the same on paper: Mildly talented, capable of running huge, but inconsistent. This is a tough one to figure out. **Bankroll Recommendation:** Aaron - Exacta: 1,6,7 BOX (0-5% of your bankroll). Jared - Exacta: 1,6,7 BOX (5-10% of your bankroll).

## RACE ANALYSIS

We have a 2-year-old maiden special weight here on the dirt for Cal Breds, which is always fun on these big days of racing in Southern California. This is completely wide-open, with several of these looking to have a shot, and it wouldn't be surprising if a couple of them turn out to be stars down the road. **Bankroll Recommendation:** Aaron - Trifecta: 3,5,6,10 BOX (0-5% of your bankroll). ## RACE ANALYSIS

The non-stakes action on this card looks pretty competitive from top to bottom, with this race not being much different. Big fields that are competitive will make the multi-race wagers pay, while this is a spot where you need to go as deep as possible to survive. **Bankroll Recommendation:** Aaron - Exacta: 5,9,11 BOX (0-5% of your bankroll). ## RACE ANALYSIS

This allowance race looks pretty wide-open on paper, which you can see by some of the prices we have picked in our Top 4 picks. You can poke a hole in most of these runners, which makes for some interesting decisions as a handicapper.

## RACE ANALYSIS

This turf sprint should be exciting, while also severing as one of the more competitive races on the card. D'Amato holds a strong hand with several runners entered here; however, this will not be an easy race to win. Several of these have a shot in this spot. **Bankroll Recommendation:** Aaron - Trifecta: 7,8,9,10 BOX (0-5% of your bankroll). Jared - Trifecta: 3,7,9,10 BOX (0-5% of your bankroll).
