## Race No1

### PROJECTED PACE:

#### Halterman

I'm not going to waste much of the bankroll on non-Breeders' Cup races this weekend. However, I will post some suggested plays and write-ups for races I'm skipping, because I realize a lot of you don't want to skip races. This one is totally wide-open.

My Bet: **Nothing**

Suggested Exacta: 4,5,6 BOX  
Suggested Trifecta: 1,4,5,6 BOX

#### Welch

When someone has a good idea you steal it. So even in the non-Breeders' Cup races that I may not have a big opinion on, I will post my suggested plays and analysis. This race is rough and wouldn't suggest much of a swing if playing.

My Bet: **Nothing**

Suggested Exacta: 5/3,6  
Suggested Trifecta: 5,6/3,5,6/3,5,6

## Race No2

### PROJECTED PACE:

#### Halterman

#5 Mirinda was sensational on debut and should win today with a repeat performance. However, there will be pace pressure in this one, which will make it a challenge. I'm treading lightly here with these lightly raced horses who are stretching out in distance.

My Bet: **Nothing**

Suggested Exacta: 5/7  
Suggested Trifecta: 5/7/3,6

#### Welch

#5 Mirinda looks like a pretty nice filly and should improve even further off of her debut. She's a logical one to play around. I also like a pair of 12-1 horses to play around her: #3 Satellite Heart and #8 Madison Rae.

My Bet: **Nothing**

Suggested Exacta: 5/3,8  
Suggested Trifecta: 5/3,8/3,7,8

### RACE No3

**Halterman**

This is another crazy race that is completely wide-open. Even on a normal card, this would be a skip for me. Overall, I like #12 Playlist the best, with the idea that #2 White Moonlight can also pop a big race if she takes to the surface.

My Bet: **Nothing**

Suggested Exacta: 2,4,12 BOX  
Suggested Trifecta: 2,4,7,12 BOX

PROJECTED PACE:

**Welch**

This race is truly a crapshoot. I do like the the #4 Elm Drive most as I'm hoping getting back to turf and her speed will prove to be hard to catch. The #2 White Moonlight is an interesting international and #12 Playlist is very logical as well.

My Bet: **Nothing**

Suggested Exacta: 2,4,12 BOX  
Suggested Trifecta: 2,4,8,12 BOX

### RACE No4

**Halterman**

The wide-open affairs continue on the under card with this race, which features a full field of California bred horses. I went with #10 Last Call London on top, who just missed last time out against a similar field, and should enjoy the stretch out in distance.

My Bet: **Nothing**

Suggested Exacta: 1,10,12 BOX  
Suggested Trifecta: 1,5,10,12 BOX

PROJECTED PACE:

**Welch**

A full field of California bred horses. What could go wrong? I've got the #12 Mici's Express on top at 5-1. Getting back to dirt and Rosario on board makes him interesting. I also think the #11 Magic Spoon could be decent off an impressive debut.

My Bet: **Nothing**

Suggested Exacta: 11,12/1,11,12  
Suggested Trifecta: 1,10,11,12 BOX

### RACE No5

**Halterman**

The Breeders' Cup is finally here! After watching tons of replays, I like #12 Committee of One best here and will be playing a win wager at a nice price. I also think #4 Big Evs has a world of talent. #5 Givemethebeatboys also seems to be a live long shot.

My Bet: **\$10 To Win on #12 Committee of One**

Suggested Exacta: 2,4,12 BOX  
Suggested Trifecta: 2,4,8,12 BOX

PROJECTED PACE:

**Welch**

Kicking off the BC action with a little 5F turf sprint for juveniles! The #4 Big Evs is a little freaky. Incredibly fast and may just be better than the rest here. Play a win bet here but make sure the price is right! I also like the #12 Committee of One if this collapses.

My Bet: **\$20 To Win on #4 Big Evs**

Suggested Exacta: 4/1,2  
Suggested Trifecta: 4/1,2,12/1,2,12

### RACE No6

#### Halterman

**This is my most likely winner on the Friday card.** I went into the race trying to beat #7 Tamara, but just don't think that is going to happen. Her replays show a horse that might just be on a different level right now. #1 Candied can upset her; however, the draw didn't help.

My Bet: **\$50 To Win on #7 Tamara**

Suggested Exacta: 7/1

Suggested Trifecta: 7/1/11,12

#### PROJECTED PACE:

#### Welch

**This is my most likely winner on the Friday card.** Go watch the replays for #7 Tamara. She's just different than the rest in this field. However, her price will provide no value. Play the #1 Candied underneath her in a cold Exacta to juice up the odds.

My Bet: **\$40 Exacta 7/1**

Suggested Win: #7 Tamara (*likely no value*)

Suggested Trifecta: 7/1/9,12

### RACE No7

#### Halterman

This one looks much tougher than the first two Breeders' Cup races on this card. It's such a tough field, with a lot of question marks, so I will play a small win wager on the horse I like best, which is #9 Carla's Way, who looks ready to fire a big race.

My Bet: **\$10 to Win on #9 Carla's Way**

Suggested Exacta: 6,9,11 BOX

Suggested Trifecta: 3,6,9,11 BOX

#### PROJECTED PACE:

#### Welch

One of the tougher Breeders' Cup races of the two days. I ended up rolling with an unexpected horse when going into it. #3 Buchu keeps getting better and has rattled off back-to-back impressive wins. Look for her to come running.

My Bet: **\$10 to Win on #3 Buchu**

Suggested Exacta: 3,11,14 BOX

Suggested Trifecta: 3,11,12,14 BOX

### RACE No8

#### Halterman

The more I watched the replays for this race, the more I liked #4 Timberlake. The price is going to be right to take a shot with him here, while I have no doubt he'll sit a perfect trip. This is an evenly matched group, so it should be a fun one to watch unfold.

My Bet: **\$20 To Win on #4 Timberlake**

Suggested Exacta: 2,4/2,4,10

Suggested Trifecta: 2,4/2,4,6,10/2,4,6,10

#### PROJECTED PACE:

#### Welch

I'll be honest. I've had several different opinions as I went through this race. However, I just kept going back to the #10 Muth and how it seemed like the lightbulb came on for him last out. Keying him on top of #3 Wine Me Up and #8 General Partner who will try to stay on.

My Bet: **\$10 Exacta 10/3,8**

Suggested Win: #10 Muth

Suggested Trifecta: 10/3,6,8/3,6,8

### RACE No9

#### Halterman

With the scratch of #2 River Tiber I'm all about #8 Unquestionable in this race. Both of these O'Brien runners seem to stand out amongst this group. So with one of them out, I'll just make a bet on the other one to win.

My Bet: **\$20 to Win on #8 Unquestionable**

Suggested Exacta: 7,8,14 BOX

Suggested Trifecta: 7,8,9,14 BOX

#### PROJECTED PACE:

#### Welch

The question of this race WAS which Aidan O'Brien runner is the star. And with the scratch of #2 River Tiber, #8 Unquestionable is the answer. I was playing a cold Exacta here, so with the scratch, I will just play the win on a horse who I think is clearly the best of the field.

My Bet: **\$25 to Win on #8 Unquestionable**

Suggested Exacta: 8/3,14

Suggested Trifecta: 8/3,14/3,7,12,14

### RACE No10

#### Halterman

It will be cool to see #3 Hejazi back, but his price isn't worth betting. The rest of this field isn't great either, so it becomes a race that is not very bettable. I'll just sit back and watch this one in preparation for the big day tomorrow.

My Bet: **Nothing**

Suggested Exacta: 2,3/2,3,4

Suggested Trifecta: 2,3/2,3,4,5/2,3,4,5

#### PROJECTED PACE:

#### Welch

They all can't be good races. This one proves that. #3 Hejazi is back but the odds will provide no value. Looking to beat him with the #2 Ghost of Midnight and also like the #4 Bus Buzz. Only bet this one if you stick around waiting for traffic to clear.

My Bet: **Nothing**

Suggested Exacta: 2/3,4

## Race No1

#### Halterman

Just like on Friday, I will save most of my bankroll for the Breeders' Cup races, but will provide wagers for each race if you do not want to skip races. This marathon seems like a bit of a snoozer, so I'll be skipping this one in favor of better spots.

My Bet: **Nothing**

Suggested Exacta: 3,6/3,5,6

Suggested Trifecta: 3,6/3,5,6/3,4,5,6

#### PROJECTED PACE:

#### Welch

My lock of the Breeders' Cup, Next, didn't make this race. So now it looks very unappealing. I've got the #3 Siskany on top but there's nothing fun about chalking out in this race.

My Bet: **Nothing**

Suggested Exacta: 3/2,6

Suggested Trifecta: 2,3,5,6 BOX

## Race No2

#### Halterman

Even though it is not a Breeders' Cup race, I will take a shot with a small win wager on #11 Mondego. His form is solid, the price is right, and I'm hoping he will enjoy the firm ground at Santa Anita. If he does, we could cash a decent ticket with this one.

My Bet: **\$10 to Win on #11 Mondego**

Suggested Exacta: 6,11,12 BOX

Suggested Trifecta: 6,8,11,12 BOX

#### PROJECTED PACE:

#### Welch

This is actually a pretty fun race! I like the #6 Webslinger on top, who returns off a little break. I think the #2 Be Your Best is super interesting at a price, as well as the #11 Mondego. The payouts will be there if you can get anything home.

My Bet: **Nothing**

## CHAMPIONSHIP SATURDAY

SAT, NOV 4, 2023

SANTA ANITA PARK

### RACE No3

#### Halterman

I'm rooting for #3 Cody's Wish to get it done here; however, he's not going to be a good enough price to bet. I really liked Algiers before he scratched, so that really leaves me with nothing to bet in this race. I'll just cheer for Cody's Wish here.

My Bet: **Nothing - just cheering for Cody's Wish**

Suggested Exacta: 3,5/3,5,6

Suggested Trifecta: 3,5/3,4,5,6/3,4,5,6

#### PROJECTED PACE:

#### Welch

To be honest, I really thought I would try to beat #3 Cody's Wish here. But with the defections and how good he looks in the AM, I had no choice but to go back to him. I believe this next sequence is pretty chalky so playing a super thin Pick 3.

My Bet: **\$10 Pick 3 - 3/2,6/1**

Suggested Exacta: 3/4,5

Suggested Trifecta: 3/4,5/4,5,6

### RACE No4

#### Halterman

This is going to be an absolute showdown between some of the best female turf horses in the world. I love #6 Inspiral and #2 Warm Heart, and can't really separate the two of them. So, I'm going to back them in an exacta and see what happens.

My Bet: **\$10 Exacta BOX 2,6**

Suggested Win: #6 Inspiral

Suggested Trifecta: 1,2,6,11 BOX

#### PROJECTED PACE:

#### Welch

I've been pumped since I found out #6 Inspiral was coming over here for the Breeders' Cup. This horse is a beast! The #2 Warm Heart also looks extremely impressive and it's really hard to separate the two. Giving the slight edge to Inspiral and playing accordingly.

My Bet: **\$25 Exacta 6/2**

Suggested Win: #6 Inspiral

Suggested Trifecta: 2,6/1,2,6/1,2,3,6

### RACE No5

#### Halterman

**#1 Goodnight Olive is my most likely winner on the Saturday card.** Her best rest is just better than the rest of these, which has me thinking she will make it two straight BC wins in a row. Last time out she lost to a horse that would have easily been the favorite if she was here.

My Bet: **\$40 to Win on #1 Goodnight Olive**

Suggested Exacta: 1,4/1,4,7

Suggested Trifecta: 1,4/1,4,5,7/1,4,5,7

#### PROJECTED PACE:

#### Welch

With no Echo Zulu, #1 Goodnight Olive just looks like a clear standout here. The defending champ will get a great pace setup and I just don't see how any of these can hold her off. Bet a win here with confidence.

My Bet: **\$30 to Win on #1 Goodnight Olive**

Suggested Exacta: 1/4,7

Suggested Trifecta: 1/4,5,7/4,5,7

### RACE No6

#### Halterman

It's exciting to see such an amazing International field lined up for this race. You can go so many different ways here, it's unreal, but in the end I favored #10 Songline just a bit more than the rest of these. I'll go with her to win.

My Bet: **\$20 to Win on #10 Songline**

Suggested Exacta: 3,6,10 BOX

Suggested Trifecta: 3,6,10,11 BOX

#### PROJECTED PACE:

#### Welch

**#10 Songline is my most likely winner on the Saturday card.** This is such a great race but when I watch Songline's races, she just seems have that IT factor. Her last three races have been outstanding and believe she will love this turf here at Santa Anita.

My Bet: **\$40 to Win on #10 Songline**

Suggested Exacta: 10/2,6,8

Suggested Trifecta: 10/2,6,8/2,6,8,14

### RACE No7

#### Halterman

This is probably the race I care least about at this year's Breeders' Cup. I just cannot get any sort of feel for this one at all. I settled on a small win bet with #9 Clairiere, but my confidence level is not good. However, she will at least be decent odds and should get pace up front.

My Bet: **\$10 to Win on #9 Clairiere**

Suggested Exacta: 4,9,11 BOX

Suggested Trifecta: 4,9,10,11 BOX

#### PROJECTED PACE:

#### Welch

I feel like I can see exactly how this race will play out. #4 Idiomatic will try to take them gate-to-wire (again). However, due to more pace, she will falter late to either #7 Wet Paint or #9 Clairiere. This isn't the strongest of Distaffs so tread lightly.

My Bet: **\$10 Exacta 7,9/4**

Suggested Win: #9 Clairiere

Suggested Trifecta: 4,6,7,9 BOX

### RACE No8

#### Halterman

This is another race where I just can't separate two horses. #9 Mostahdaf is an absolute monster; however, so is #5 Auguste Rodin. This field is one of the best I've ever seen for this race as well, with several other horses that could upset. I'll box my top two and call it a day.

My Bet: **\$20 Exacta BOX 5,9**

Suggested Win: #9 Mostahdaf

Suggested Trifecta: 2,5,9,11 BOX

#### PROJECTED PACE:

#### Welch

This year's Turf is one of the best, most competitive fields we've ever had. #9 Mostahdaf is a beast, but #5 Auguste Rodin just might be one too. Looking to try and beat #8 Up to the Mark with an ice cold Exacta using the two beasts.

My Bet: **\$20 Exacta 9/5**

Suggested Win: #9 Mostahdaf

Suggested Trifecta: 5,9/5,8,9/2,5,8,9

## CHAMPIONSHIP SATURDAY

### RACE No9

#### Halterman

This certainly is not the greatest Breeders' Cup Classic field ever; however, it does provide us a decent betting opportunity. #3 White Abarrio looked like a Classic winner when he romped in the Whitney Stakes. If he can repeat that effort, I believe he is the winner this year.

My Bet: **\$20 to Win on #3 White Abarrio**

Suggested Exacta: 3,6,12 BOX

Suggested Trifecta: 3,6,11,12 BOX

#### PROJECTED PACE:

#### Welch

This year's Breeders' Cup Classic field really has no star so it makes the race super interesting. I feel like this is the year for Japan and am playing #8 Ushba Tesoro on top but also using #3 White Abarrio, who easily could win with a Whitney repeat.

My Bet: **\$5 Exacta 3,8/3,8,11,12**

Suggested Win: #8 Ushba Tesoro

Suggested Trifecta: 3,8/3,8,12/2,3,6,8,11,12

### RACE No10

#### Halterman

The Turf Sprint is always wide-open and usually produces a decent price. That has me going for the Clement trained #1 Big Invasion, who was been consistently good for the last two years. He might be improving at the right time.

My Bet: **\$10 to Win on #1 Big Invasion**

Suggested Exacta: 1,5,8 BOX

Suggested Trifecta: 1,5,7,8 BOX

#### PROJECTED PACE:

#### Welch

#3 Caravel won this race last year at 42-1! I'm looking to beat her in this year's running as I just don't think she's the same horse. With some big time speed in here, the #10 Motorious should relish this trip on his home court. Play the win and look for him to come motoring home!

My Bet: **\$20 to Win on #10 Motorious**

Suggested Exacta: 1,3,10 BOX

Suggested Trifecta: 1,10/1,3,10/1,3,5,10

### RACE No11

#### Halterman

#8 Elite Power has been the best sprinter all year long, while he has been working tremendously over the track leading up to this race. I expect him to get a solid pace up front this time, which is going to be make him difficult to hold off down the stretch.

My Bet: **\$20 to Win on #8 Elite Power**

Suggested Exacta: 8,9/7,8,9

Suggested Trifecta: 8,9/6,7,8,9/6,7,8,9

#### PROJECTED PACE:

#### Welch

I really can't get a great feel for this one. #8 Elite Power won this race last year and has a great chance to do it once again. However, I'm betting that he can't catch the #7 Speed Boat Beach, who looks to just be the fastest of the bunch.

My Bet: **\$20 Exacta 7/8**

Suggested Win: #7 Speed Boat Beach

Suggested Trifecta: 7,8/6,7,8,9/6,7,8,9

PROJECTED PACE:

**Halterman**

This will round out what is sure to be a crazy day! I will not be wagering on this one, but it will be fun to see the horses run down the hill in this turf event. I went with a long shot here, using #5 Alvina on top, who has been close at this level since cutting back in distance.

My Bet: **Nothing**

Suggested Exacta: 3,5,11 BOX

Suggested Trifecta: 3,5,7,11 BOX

**Welch**

That's a wrap on the Breeders' Cup races! This last one I will not be betting but still looks like a fun one if you choose to do so. #8 Real Fire has ran very well at this distance and likes the Santa Anita turf.

2023 40TH BREEDERS' CUP

# FUTURE STARS FRIDAY

NOVEMBER 3

## JUVENILE TURF SPRINT

Going into last year, this was one of the most automatic trends in the Breeders' Cup. Horses based in the United States with tons of speed had won every running. So what happened last year? A European horse won while rallying from last. Well, sure. But what if we could find an American horse with tons of speed who was last seen winning at Royal Ascot?

**Takeaway:** *United States-based Crimson Advocate was last seen winning the Queen Mary at Royal Ascot. She has the speed. She has the class. She is the best of both worlds.*

## NETJETS JUVENILE FILLIES

This trend continues to grow stronger every year. Just twice in the last 11 years has the post-time favorite won the Juvenile Fillies (Echo Zulu in 2021 and Songbird in 2015). Both Echo Zulu and Songbird entered the race undefeated with multiple Grade 1 wins, and both went off at sub-even money in the race. It takes a great filly to buck this trend.

**Takeaway:** *We have a solid group of fillies this year but Richard Mandella's Tamara might be elite. She's undefeated and a Grade 1 winner. Her mama Beholder would be proud.*

## JUVENILE FILLIES TURF

American-based trainers have won the Juvenile Fillies Turf in 12 of its 15 runnings (80%), making this easily our most dominant turf race at the Breeders' Cup. Contributing to the American success has been trainer Chad Brown, who owns 5 of those 12 US victories.

**Takeaway:** : Chad Brown will likely enter his undefeated filly *Hard to Justify*, who was last seen winning the *Miss Grillo* (G2).

## FANDUEL JUVENILE

The only 2 post-time favorites to win the Juvenile in the past 10 years were trained by Bob Baffert (*Corniche* and *Game Winner*). Toss out *Storm the Court* (who won at 45-1 in 2019) and the average winning odds over the past 10 years have been at a mild 6-1. Furthermore, 6 of the last 7 Juvenile winners entered the following year's Kentucky Derby.

**Takeaway:** Baffert will likely have the post-time favorite again this year. Either single here and move on, or look elsewhere for the horse who you project has the most upside moving forward into 2024.

## JUVENILE TURF

European-based horses have won the Juvenile Turf 12 times in the 16-year history of the race (75%). Of those 12, Aidan O'Brien and Charlie Appleby have won a combined 8 times at an average price of 6-1!

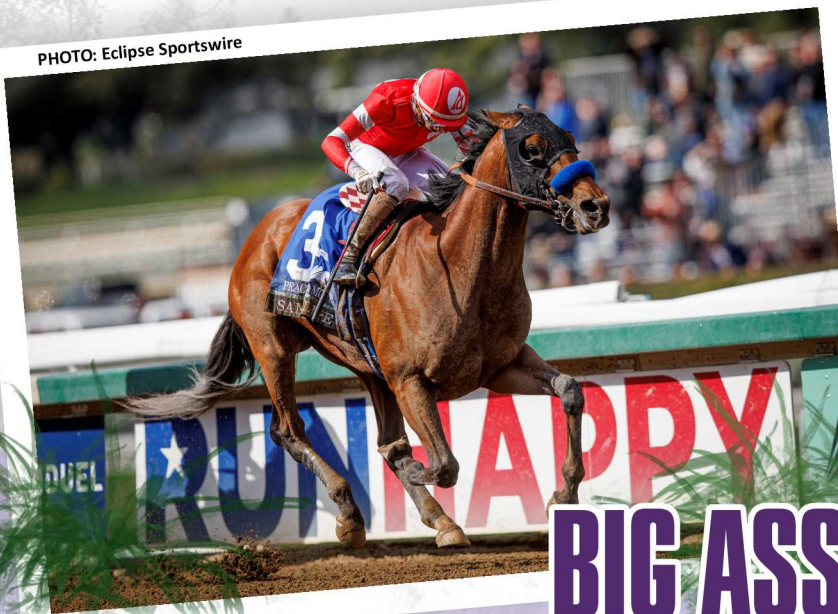

*Takeaway:* Aidan O'Brien and Charlie Appleby should have multiple options here. Look for the most appealing one and play everything around it.

## BIG ASS FANS DIRT MILE

In 4 of the past 5 runnings of the Dirt Mile, speed has been deadly. City of Light, Spun to Run, Knicks Go, and Life Is Good were all speed, all the way. Last year, this very guide suggested that Cyberknife might be the one to do it, and he nearly did - if not for a game Cody's Wish. If you're against Cody's Wish here, then aim for speed.

*Takeaway:* A horse like Practical Move would be extremely tough for Cody's Wish to run down. Look to play quality, classy speed.

## MAKER'S MARK FILLY & MARE TURF

This trend just keeps delivering! In each of the past 12 years, either Chad Brown or an international trainer won this race. A new trend is emerging within that, as International flavor has won this race in each of the last 4 years.

***Takeaway:** While you're likely going to have plenty of Chad Brown horses to choose from here, if horses like Inspiral (GB) or Warm Heart (IRE) come over for this race, look for international to reign supreme once again.*

## PNC BANK FILLY & MARE SPRINT

Another year, another example of speed being cheap in the Filly & Mare Sprint. In fact, in its 16 years of existence, no horse has won this race gate to wire. With no Echo Zulu, many will look to horses like Yuugiri and Hoosier Philly as being lone speed win candidates. And they will be wrong.

***Takeaway:** Last year, this guide predicted that eventual winner Goodnight Olive would be a horse to play from off the pace. The setup was there, and it will be again this year.*

## FANUEL MILE

While American-based horses may have started off hot in the Fanduel Mile, the International crew has taken over as of late. They have now won 5 straight runnings, including the last 2 won by the trio of Godolphin blue, Charlie Appleby, and William Buick.

***Takeaway:** We've seen Godolphin win the past 2 years with post-time favorites, and they could very well have it again this year with Master of the Seas and Mawj. Stick with team Godolphin here.*

## LONGINES DISTAFF

There's good news and bad news here. The good news is that we have a pretty solid trend going into the Longines Distaff: class.

Zenyatta, Royal Delta (2x), Beholder, Untapable, Monomoy Girl (2x), and Malathaat (who this guide predicted would win last year) all won in the past. Take out the Japanese-bred Marche Lorraine winning at 50/1 in 2021, and we've seen the winner's odds at less than 5/1 over the past 15+ years.

***Takeaway:** Now the bad news. Who is the class of this year's Longines Distaff? Figure that one out and you just might have the winner.*

2023 40TH BREEDERS' CUP

# CHAMPIONSHIP SATURDAY

NOVEMBER 4

## LONGINES TURF

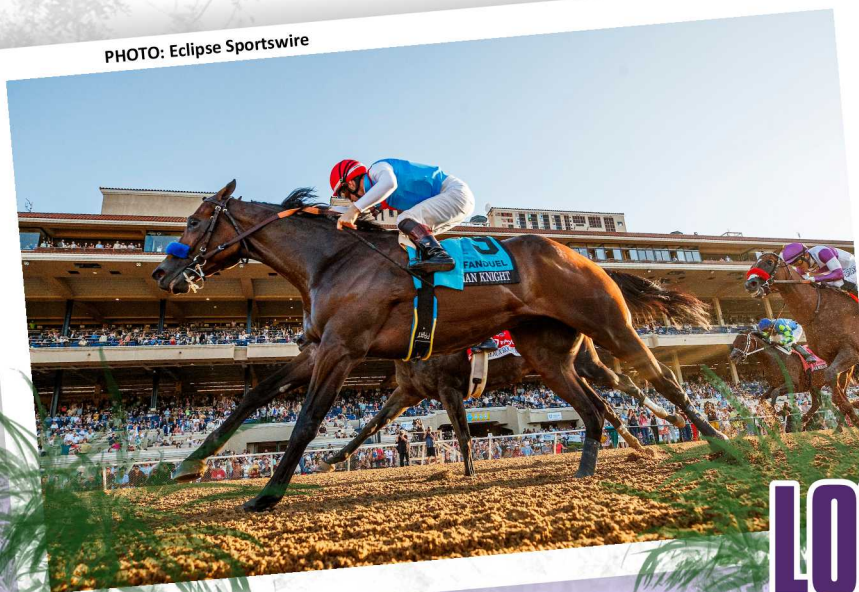

They might as well start running this race overseas because the Longines Turf has turned into a playground for European-based horses. The Euros have won this bad boy 12 of the past 15 runnings (80%). However, 2 problems: who is the international horse to play, and how do they beat the American beast Up to the Mark?

***Takeaway:** Plot twist. Out of the last 15 runnings, only 1 American-based horse was pounded as the favorite (Bricks and Mortar - 2019). If Up to the Mark is pounded, then it might indicate that the Euros have no advantage this year. Let the odds guide you.*

## LONGINES CLASSIC

While we've seen some mild surprises over the years in the Longines Classic, over the past 10 runnings, this race was largely a chalk-fest. The average odds of the winners are 3/1. It's also worth noting that since Curlin did it in 2007, Bob Baffert has been the only trainer to win the Classic with a 3-year-old (doing it 4x).

***Takeaway:** A 3-year-old certainly could win this year's Longines Classic, and if you're going that route, how do you pick against the guy who's done it 4 times in the past 9 years with 3-year-olds? Arabian Knight checks all the boxes.*

## TURF SPRINT

We used to see this race run on the downhill turf course at Santa Anita going 6 1/2 furlongs. In 2019, they moved it off the downhill and shortened it to just 5 furlongs. Since then, we've seen almost nothing but speed win the Turf Sprint. The horse that bucked that trend was Glass Slippers in 2020, who also became the first (and only) international horse to win the race in 15 runnings.

*Takeaway:* Play an American turf horse here. In fact, play the fastest one of them all. Then thank us later.

## QATAR RACING SPRINT

This trend plays on repeat in our head, year after year. Only 2 horses in the last 25 years (Reraise in 1998 and Big Drama in 2010) have won the Sprint going gate to wire. You just cannot do it. And we've seen some incredibly fast horses try (we're looking at you, Jackie's Warrior).

*Takeaway:* Bob Baffert's Speed Boat Beach has it cooked into his name, and as hard as it is to win a Breeders' Cup race in back-to-back years, we have seen it multiple times in this race. Elite Power looks like a prime candidate to repeat.
