This Inside Track to the Arkansas Derby wagering guide gives you an inside look at all three major stakes races running on the card April 13, 2019, at Oaklawn Park. PLUS, a bonus race on the card that makes up the Pick 4 sequence. But that's not all, due to the importance of the race, we will also include the Lexington Stakes (G3) at Keeneland for a total of FIVE MASSIVE RACES! The Racing Dudes have been at it for years, offering daily handicapping picks and analysis for every track across the country. For this year's Inside Track to the Arkansas Derby, our lead handicappers have been scouring through the card at our home track in Hot Springs in search of winning tickets on this loaded day of racing.

The \$1,000,000 Arkansas Derby (G1) is the main event Saturday at Oaklawn, serving as the final 100-point prep race for the Kentucky Derby (G1). This race has it all, as these horses need points to get into the Kentucky Derby. Along with the Arkansas Derby, there will be two other graded stakes races on the card, including the Count Fleet Sprint Handicap (G3), along with the Oaklawn Handicap (G2).

But that's not all! Along with the three major stakes races at Oaklawn Park, this Inside Track to the Arkansas Derby wagering guide will also include analysis on the remaining big race included in the Late Pick 4 sequence Saturday at Oaklawn Park, PLUS analysis of the Lexington Stakes (G3) at Keeneland. This race has never been more important than it is this year!
