Today's **EXACT** race-by-race wagering plan for Aaron and Jared, the two founders of Racingdudes.com. You can play these tickets exactly, or you can take our opinions and sprinkle in your own thoughts as well. The decision is up to you. We struggled in our first week of doing this, but look to bounce back this week in a big way. Good lucky everyone!

I'm fairly high on Squire Creek in Race 10, so feel as though #6 Wicked Again is a must play here since he was second to Squire Creek last time out. We'll keep it small, though.

Wesley Ward is so dangerous at Keeneland in these turf sprints and has been on fire this year (38%). Picks up Gaffalione who pair up for 36% and this horse just keeps getting better and better. They will have to catch this one. Modest win bet.

I've been waiting for a while now for #7 Run Classic to cut back to 7-furlongs. This is his perfect distance, while he looks to be the lone speed in this race. We should see a big effort out of him.

\$20 to Win on #7 Run Classic
Total Bet: \$20

PROJECTED PACE:

Love that #7 Run Classic is getting the cutback in distance here. Ran this distance here in the fall for a career high 105 Beyer. The perfect race to ladder exacta.

#3 Cairo Consort and #7 Pleasant Passage seem like standouts in a race that has a large field. They'll be short prices; however, the payout will still be good enough because of all the other betting options in the race.

\$10 Exacta BOX 3,7
Total Bet: \$20

Welch

Not a huge fan of boxing exactas but I really can't tell the #3 Cairo Consort and #7 Pleasant Passage apart. Clear standouts. Will be very similar prices and present value in the exacta.

I'll take a small shot here against Caravel with #12 Arrest Me Red, who is a horse I've always liked. He usually fires off of the bench, so I think he will show up with a top effort here.

\$10 to Win on #12 Arrest Me Red
Total Bet: \$10

Welch

This is a tricky race but I do like the #8 Caravel enough to play a small straight exacta here. The #5 is super interesting with a massive race last out. Runs well on the turf and distance.

#3 Verifying could get the perfect trip here, so I'll put him on top, with #1 Tapit Trice in second. Both horses stand out amongst this group, so I'll box them up in this spot and see if we can get it home.

\$10 Exacta BOX 1,3
Total Bet: \$20

Welch

I have a feeling that #3 Verifying is going to run a big race but not quite good enough to finish it off. Looking for him to get nailed late in some nice ladder exactas.

#1 Squire Creek is the horse I like best on the card, and it's really not even close, so I'm wagering half of my bankroll on him. He looked tremendous on debut and finds a field today he should handle.

\$150 to Win on #1 Squire Creek
Total Bet: \$150

Welch

Let the fun begin! My biggest win bet so far in the Betting Bible. This dude comes highly hyped and is a clear standout on the entire card. Price will be even money at best, so 1/3 of the bankroll goes here.

\$100 to Win on #1 Squire Creek
Total Bet: \$100

RACE No11

PROJECTED PACE:

#1 Mondego and #3 Operation Torch are horses that interest me in this spot, so I will box them up here in a nice exacta. With a large field running this exacta should pay ok even with two short prices.

\$10 Exacta BOX 1,3
Total Bet: \$20

A bit of a McPeek special here. The #6 He's Got Swagger is 5-1 on the ML but think he could float up some with a few others taking money. He's ran too good to lose in his first two starts and think he finally breaks the maiden here on the stretch out to 1 1/8.

I'm not sure that I've ever liked an exacta more. #3 Geaux Rocket Ride will be the one to catch. #5 Practical Move will try and catch him. Should cash in for \$300-\$400 with a hit and will make the day.
