**2023-24 EUROPEAN ROAD TO THE KENTUCKY DERBY SCHEDULE**

**EUROPEAN ROAD TO THE KENTUCKY DERBY** – First staged in 2018, the “European Road to the Kentucky Derby Presented by Woodford Reserve” is a stand-alone series that is separate from America’s “Road to the Kentucky Derby Presented by Woodford Reserve” series. Only one invitation to compete in the Kentucky Derby will be extended with preference given to the horses with the most points in the “European Road to the Kentucky Derby Presented by Woodford Reserve” series. No invitation will be extended beyond the Top 4 point earners but if a horse also qualifies through America’s “Road to the Kentucky Derby Presented by Woodford Reserve” series, the invite will be extended to the next eligible horse. If two or more horses have the same number of points, the tiebreakers are earnings in non-restricted stakes races through April 13, 2024 followed by lifetime earnings through April 13, 2024. In the case of remaining ties, the additional starter(s) and/or also-eligible horses shall be determined by lot (aka a “shake”). Any points earned in America’s “Road to the Kentucky Derby” will be credited to the horse’s point total in the “European Road to the Kentucky Derby.” Since 1967, there have been 53 horses who previously raced outside North America and ran in the Kentucky Derby. Venezuela’s Canonero II won the 1971 Derby and Puerto Rico’s Bold Forbes won the Derby in 1976. Bold Arrangement (GB), who was campaigned in Great Britain and France, finished second to Ferdinand in the 1986 renewal.

**JAPAN ROAD TO THE KENTUCKY DERBY** – First staged in 2017, the “Japan Road to the Kentucky Derby Presented by Woodford Reserve” is a stand-alone series that is separate from America’s “Road to the Kentucky Derby Presented by Woodford Reserve” series. Only one invitation to compete in the Kentucky Derby will be extended with preference given to the horses with the most points in the “Japan Road to the Kentucky Derby Presented by Woodford Reserve” series. If two or more horses have the same number of points, the tiebreaker is lifetime earnings through April 13, 2024. In the case of remaining ties, the additional starter(s) and/or also-eligible horses shall be determined by lot (aka a “shake”). Six horses based in Japan have run in the Kentucky Derby: Ski Captain (14<sup>th</sup>, 1995); Lani (9<sup>th</sup>, 2016); Master Fencer (JPN) (6<sup>th</sup>, 2019); Crown Pride (JPN) (13<sup>th</sup> in 2022); Derma Sotogake (JPN) (6<sup>th</sup> in 2023); and Mandarin Hero (JPN) (12<sup>th</sup> in 2023).

**HOW TO GET INTO THE KENTUCKY OAKS STARTING GATE** – The Road to the Kentucky Oaks is a series that awards points to the Top 5 finishers in each race. The Top 14 point earners nominated to the Longines Kentucky Oaks will earn a spot in the starting gate for the 150<sup>th</sup> running of the \$1.5 million Longines Kentucky Oaks (Grade I), which is scheduled for Friday, May 3, 2024. The 1 1/8-mile Oaks is the nation’s premier race for 3-year-old fillies. ## RTKD AND RTKO RULES

### TIEBREAKERS –

- America's Road to the Kentucky Derby and Road to the Kentucky Oaks: If two or more horses have the same number of points, the tiebreaker is earnings in non-restricted stakes races. In the case of remaining ties, the additional starter(s) and/or also-eligible horses shall be determined by lifetime earnings. In the case of remaining ties, the additional starter(s) and/or also-eligible horses shall be determined by lot (aka a "shake").
- European Road to the Kentucky Derby: If two or more horses have the same number of points, the tiebreaker is earnings in non-restricted stakes races through April 13, 2024. In the case of remaining ties, the additional starter(s) and/or also-eligible horses shall be determined by lifetime earnings through April 13, 2024. In the case of remaining ties, the additional starter(s) and/or also-eligible horses shall be determined by lot (aka a "shake"). Any points earned in America's "Road to the Kentucky Derby" will be credited to the horse's point total in the "European Road to the Kentucky Derby."
- Japan Road to the Kentucky Derby: If two or more horses have the same number of points, the tiebreaker is lifetime earnings through April 13, 2024. In the case of remaining ties, the additional starter(s) and/or also-eligible horses shall be determined by lot (aka a "shake").

**FILLIES** – If a filly wants to run in the Kentucky Derby she can, but she'll have to earn her way into the field by accumulating points against open company just like the rest of the colts and geldings. Additionally, any points earned by a filly in the "Road to the Kentucky Derby Presented by Woodford Reserve" series against open company will be credited to her point total in the "Road to the Kentucky Oaks" series. If a filly garners an invitation to the Kentucky Derby via the "European Road to the Kentucky" or "Japan Road to the Kentucky," ownership may opt to instead use that invitation to the Kentucky Oaks.

**DEAD-HEATS** – In the event of a dead-heat (tie) those horses will divide equally the points they would have received jointly had one beaten the other.

**SPLIT DIVISIONS** – In the event a race is split into divisions and each division awards its originally published purse money, points will be awarded as scheduled for each division. If the originally published purse is reduced for each division, points will be reduced proportionally as well.

**LASIX** – Points will only be awarded to horses who compete on race day without Furosemide (often referred to by the brand name, Lasix) in Road to the Kentucky Derby and Road to the Kentucky Oaks races. Any points earned by horses with Lasix on race day will be vacated. The 2021 Kentucky Derby and Kentucky Oaks marked the first year those races were run without the permitted use of Lasix.

**MEDICATION VIOLATIONS** – If the connections of a horse have been notified by a regulatory body about a medication violation from participation in a Road to the Kentucky Derby or Road to the Kentucky Oaks race, and that violation would result in disqualification, any accrued points from the race will be revoked until the matter reaches a legal conclusion. Accrued points will be reinstated if the matter is legally overturned prior to the running of the Kentucky Derby or Kentucky Oaks.

**DERBY/OAKS TRAINER SUSPENSION** – Points from any race in the Road to the Kentucky Derby or Kentucky Oaks will not be awarded to any horse trained by any individual who is suspended from racing in the 2024 Kentucky Derby or 2024 Kentucky Oaks or any trainer directly or indirectly employed, supervised, or advised by a suspended trainer. Should a horse trained by a suspended trainer, or any trainer directly or indirectly employed, supervised, or advised by a suspended trainer, finish in a position that would have earned points in a Road to the Kentucky Derby or Kentucky Oaks race, the points associated with that finish position will be vacated.
